

In the name of Allah

It is my immense pleasure to welcome you all to the Taiz University sponsored **2<sup>nd</sup> International Conference of Technology, Science and Administration – 2022 (2<sup>nd</sup> ICTSA -2022)** cooperated with **Sukhoi State Technical University of Gomel.**

ICTSA provides an opportunity for the meeting of International Researchers, Engineers, Scientists, and specialists in the various research and development fields of Engineering, Science, Technology and Administration.

The conference offers a premise for global experts to gather and interact intensively on the topics of Medicine, Sciences, Electronics, Information and Communication Technology, Computer Science and Information Technology.

I hope eminent speakers will cover the theme computation and innovation from different perspectives.

I am privileged to say that this conference will definitely offer suitable solutions to the research issues. I am also most grateful to the supporting universities, which have provided support to this conference financially and technically, in spite of the present economic scenario.

The success of this Conference is solely on the dedication and efforts of innumerable people who started working on the preparations for almost a year in many ways to make this Conference become a reality.

Eventually I express my special thanks and appreciation to all.

***Prof. Dr. Abdulraqueeb Al-Samawi,***  
***Dean of Faculty of Education., Taiz University.***  
***Member of ICTSA Higher Advisory Committee.***
